Outstanding professionals working together to deliver value

Our values:

- We lead by example
- We work together
- We respect the individual
- We seek the facts and provide insight
- We are open and honest in our communication
- We are committed to our communities
- Above all, we act with integrity

KPMG International

KPMG is one of the world's leading professional services firms. We are proud of our firm's strong and established reputation, a reputation that is built on a long history of independence, integrity and objectivity. It's what drives us to deliver clear and practical advice to help our clients grow and succeed in their chosen field. It's what makes us committed and successful leaders in our profession.

Our global network

KPMG is a global network of professional firms providing Audit, Tax and Advisory services. We operate in 146 countries and have 140,000 people working in member firms around the world. The independent member firms of the KPMG network are affiliated with KPMG International Cooperative ("KPMG International"), a Swiss entity. Each KPMG firm is a legally distinct and separate entity and describes itself as such.

KPMG in Central and Easter Europe

KPMG in CEE continues to build upon its success in the region with 4,800 staff working in 18 countries. To meet the needs of international, regional as well as local clients, KPMG's offices in CEE work closely together. Shared centres of excellence and infrastructure help to ensure a high level of client service throughout the region.

Wherever our member firms do business, our clients are offered customized advisory services based on familiarity with the people, countries and economic conditions of the region because we believe that consideration of national characteristics is the key to any successful business venture, and we know that local developments must be seen in a larger, global context to enable thinking in strategic dimensions.

Through a worldwide network of member firms, KPMG offers clients the benefits of an extensive multinational pool of skilled and experienced professionals who possess an intimate understanding of each of their national markets.

Countries within KPMG's CEE network include:

- Albania
- Belarus
- Bosnia and Herzegovina
- Bulgaria
- Croatia
- Czech Republic
- Estonia
- Hungary
- Latvia
- Lithuania
- Macedonia
- Montenegro
- Poland
- Romania
- Serbia
- Slovakia
- Slovenia

Our practice in Croatia

In Croatia, we operate nationally with 6 partners and more than 160 employees. Our local experience, enhanced by the technical and industry knowledge of our global network means we bring a deep understanding of our clients' business. It enables our professionals to deliver informed and timely advice.

Staff includes locally and internationally qualified professionals – in addition to locally registered auditors, staff includes UK, Australian and Canadian Chartered Accountants and UK Chartered Certified Accountants (ACCA), as well as lawyers qualified in Croatia, Canada and the UK. Our management group includes native and excellent speakers of Croatian, English and German languages and advantages of local business awareness with international best practice.

Our practice in Bosnia and Herzegovina

KPMG's office in Sarajevo was established in 2000 and now employs 30 people. The office in Sarajevo operates in association with the much larger KPMG office in Zagreb, Croatia, which is the principal source of professional support for Sarajevo on specialised engagements in Bosnia and Herzegovina.

Continuity and quality

KPMG continually invests in our people, services and quality processes. We are focused on the research and development of services to help our clients achieve sustainable and strong business performance. We are also committed to appropriately delivering on our capital markets responsibilities, as well as assisting our clients in effectively communicating true business performance to stakeholders.

Supporting our communities

KPMG has a long history of supporting the communities in which we live and work. This contribution takes the form of our people's time, knowledge, experience and voluntarism, as well as our financial donations and grants.

Why select us

Independent, clear and practical advice

Fast, effective and informed decision making is a business imperative in an increasingly complex business environment. Our clients find our independent, objective and professional advice to be clear, concise and jargon free.

Multi-disciplinary, industry focused approach

Delivering independent, professional advice requires a multi-disciplinary, industry focused approach. We can establish dedicated teams of professionals with deep industry experience from across KPMG's service divisions.

Global knowledge sharing

We understand that keeping our professionals constantly up-to-date on global technical and industry developments allows our clients to receive comprehensive advice, no matter where in the world they do business.

Our industry experience

Consumer Markets

We assist clients in a variety of industries including food processing, distribution, consumer-packaged goods, textiles and footwear, electronics and general retailing.

Energy & Natural Resources

We provide advice to a diverse range of clients involved in the mining, oil, gas, forestry and power generation sectors.

Financial Services

We are one of the leading providers of audit, tax and advisory services to the financial services industry including the banking and finance, insurance and managed investments and superannuation sectors. We also assist clients in the real estate sector comprising property development and property management.

Government

We provide advice to State and Federal Government Departments, Statutory Authorities and Government Business Enterprises, as well as government municipalities and universities.

Industrial Markets

Our clients in the manufacturing and transportation industries operate in the automotive, paper and packaging, chemical and pharmaceutical, building and metal product, machinery and equipment and transport sectors.

Information, Communications & Entertainment

Our professionals deliver multi-disciplinary business advice to clients in the communications, biotechnology, electronics and software, media and entertainment sectors.

Structure and services

Our professional staff are organised into functional departments providing various services:
